

Compliance Program Management

# OneSumX<sup>®</sup> Compliance Resource Network

Your Regulatory  
Research and  
Intelligence Resource

**At Wolters Kluwer<sup>®</sup> our goal is to help you comply successfully with the numerous and complex regulatory compliance obligations of the financial services industry. With OneSumX<sup>®</sup> Compliance Resource Network, we've consolidated the most up-to-date laws, regulations and news on one website; expanded it to include more analysis and commentary; and adopted new technology to make searching, browsing and managing your compliance information even more efficient.**

#### **Trusted, Global, Practical**

Our regulatory research and intelligence tool is used by financial institutions around the world as their solution for regulatory and legislative content. For over a century, Wolters Kluwer has been a leading publisher for major regulatory entities in the United States and around the globe.

We've made OneSumX Compliance Resource Network an inclusive information solution. In a single, convenient location, you can quickly and accurately access pertinent regulations, legislation and updated rulebooks. With a world-class platform, Cheetah™, as our host, you get an intuitive, relevant and reliable online tool. You'll be able to search quickly on desktop and mobile platforms, browse easily, be alerted to regulatory changes daily, and manipulate the content to match your personal workflow needs.

#### **Keep in the Know with News and Daily Alerts**

A personalized newsletter and daily alert service keeps you up-to-date on industry and regulatory developments. You can choose what you want to track and how you want to track it. Daily alerts can be delivered via a consolidated email or within OneSumX Compliance Resource Network.

#### **Manage Content Productively**

Our product is designed to ease your compliance workflow. If you're required to share the content you research, you can email documents or save them as PDFs and Microsoft Word™ files. In addition, you can manage your workflow as much or as little as you need by creating hyperlinks and bookmarks to important information, consolidating various document types into one central location, and inputting notes that support your research.

### Intelligent Navigation

Find the content you need when you need it. Easily access the content in your subscription, organized for intuitive review. Quickly navigate to the specific content you need by browsing or searching on our flexible platform.

### Searching Made Simple

OneSumX Compliance Resource Network makes searching easy, fast and precise. Search your entire library with a single click and filter by multiple criteria. Search within a search, run multiple searches concurrently, and save your search results for future use. View relevant content side-by-side, maintain your searches on separate tabs, and split-screen the view so you can preview what you've selected.

### A Robust Resource

The OneSumX Compliance Resource Network offers easy access to a vast library of financial services laws, rules, and regulations. We offer not only primary source information from regulators, including the major exchanges and self-regulatory organizations, but also guidance and thought leadership from some of the most in-demand areas of compliance, including U.S. federal and state banking, and U.S. federal and state securities content. Our library of content is constantly growing to meet the demands of our customers, and continues to be one of the most robust available on the market.
