# *Blend & Wolters Kluwer E-Sign, a Seamless Digital Mortgage Experience*

Improve the borrower experience with a unified digital portal.

**Technology can transform formerly tedious and time intensive processes into fast moving and intuitive experiences. These consistent innovations in today's world are prompting many people to ask for "more". The loan origination process is an area where the borrower has come to expect a better experience.**

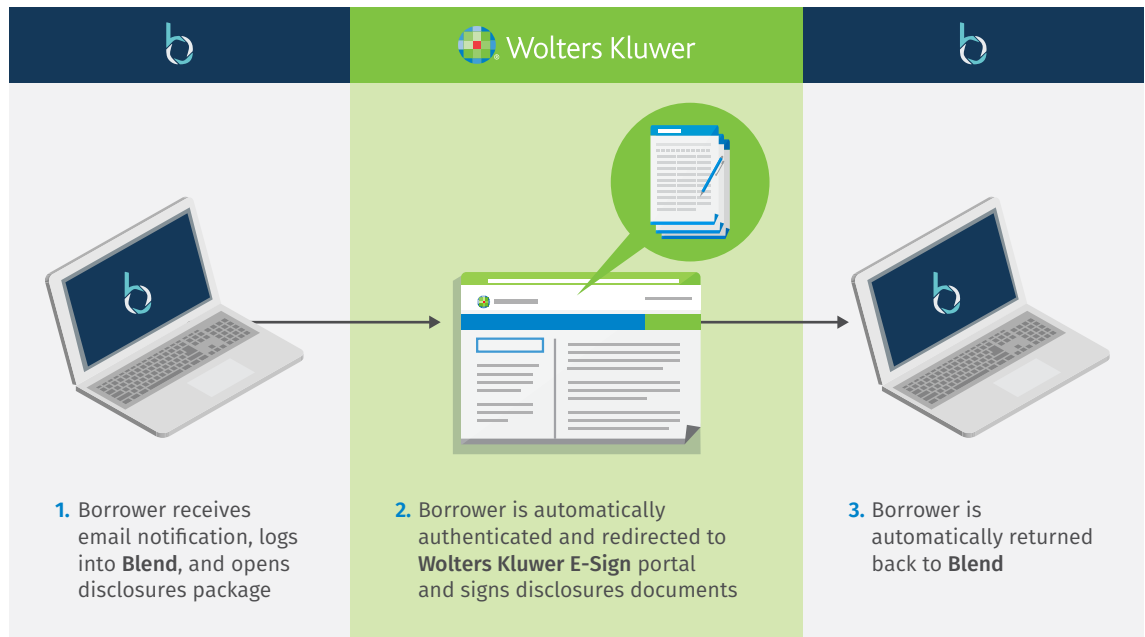

A digital experience with built-in security and e-signature support is quickly becoming the standard that banks need to offer a borrower.

Together, Blend and Wolters Kluwer E-Sign can offer your customers the optimal digital mortgage experience. Blend seamlessly brings together everything from your CRM to your LOS in a platform that centralizes and secures the data and documents needed to complete a loan. Wolters Kluwer E-Sign is a secure eDelivery, eSignature and on-demand digital print service supporting 3-day mortgage compliance work-flows. Wolters Kluwer E-Sign and Blend are fully integrated with single sign-on. This means fewer clicks and time spent for your borrower and reduction of costs associated with disclosure delivery.

### **The Power of Blend and Wolters Kluwer E-Sign**

- Improve the borrower experience with a unified digital portal: borrowers only need to log-in to one system to complete disclosures
- Improve pull-through rates with faster document delivery
- Reduce printing and mailing expenses of disclosures packages
- Streamline tracking and reporting for compliance
