

Lien Solutions | iLien Motor Vehicle

Streamline the motor vehicle lending transaction process.

Are you acquiring or refinancing a fleet of vehicles? Undertaking multi-state motor vehicle transitions? Transferring titles and perfecting liens doesn't have to be a complex, cumbersome experience.

Let us do the driving – 4 reasons why Lien Solutions can address your motor vehicle needs:

1

iLien Motor Vehicle – An enhanced, web-based tool, iLien Motor Vehicle is a guided system which provides automated DMV estimating, filing, and process tracking, all with the click of a mouse. This makes it easier for you to complete the lending transaction smoothly with a higher rate of perfected claims.

2

We offer expert knowledge you can trust – We have teams who are 100% dedicated to motor vehicle transactions. In the DMV world, things are not always black and white. That's why our motor vehicle service teams are there to support you, any time you need them.

3

Are you there yet? Sit back and relax – Communicating with a DMV office can be about as fun as driving in rush-hour NYC traffic. Lucky for you, iLien Motor Vehicle manages the process and coordinates all information with the DMV so you don't have to. Relax and enjoy the ride – iLien Motor Vehicle keeps you updated on your filing progress.

4

Reduced rate of rejection to get secured quicker – DMV transactions can be complex, but iLien Motor Vehicle ensures everything gets done right the first time from estimating the fees through eliminating the mistakes that a manual process can incur. The result? Fewer rejections for quicker resolution.
