The Lippincott Digital Product Implementation Team offers training for faculty who are new to their digital product as well as faculty who are ready to learn how to effectively implement their digital product into their curriculum.

NEC Implementation Webinars focus on implementation and product integration and are hosted by Lippincott Nursing Education Consultants. **Online, hybrid and face-to-face** strategies are presented.

In order to get the most out of the Implementation events, faculty are encouraged to **complete the Webinar Prep: Getting Started Training Module prior to attending** *the webinar.*

Registration is required for all events. Click on the link below to register for an upcoming event. Check back for additional events. Recordings are available.
