Access the online resources by clicking on (your desktop, intranet, EMR, etc.).

 <p>Streamline Orientation. Improve Competency.</p>	<p><i>This point-of-learning tool will provide orientation streamlining to ensure the clinical competency of new employees and graduate. It will provide a continuous flexible learning environment to provide us with ways to increase knowledge incrementally. The platform supports support instructor-led training, online courses, and flipped classroom learning.</i></p>
