Access the online resources by clicking on the Lippincott Procedures and Lippincott Advisor icons or links on (your desktop, intranet, EMR, etc.). No login is needed to access the content.

<p>Lippincott® <b>Procedures</b> Always Current. Always Evidence-Based.</p>	<p><i>“Lippincott It!” Make informed clinical decisions and perform quality skills at the bedside. All procedures include step-by-step guides, simplified quick lists, information about special considerations, complications, documentation, as well as visual references, like full-color images and video clips.</i></p>
<p>Lippincott® <b>Advisor</b> The Right Answers. Right Now.</p>	<p><i>Quickly &amp; easily consult “Nurse Lippincott” for clinical decision support at the bedside regarding Signs &amp; Symptoms, Diagnostic Tests, Diseases &amp; Conditions, Hospital-Acquired Conditions, Treatments, Care Plans, and MORE! Use the Health Library to access 30+ evidence-based eBooks on a variety of medical/health topics.</i></p>
<p>Lippincott® <b>Professional Development Collection</b> Increase Competence. Improve Outcomes.</p>	<p><i>This easy-to-use and interactive point-of-learning tool provides education and competency courses full of current, comprehensive, evidence-based information. The courses include tutorials, case studies, Q&amp;A, pre-tests, and post-tests, as well as detailed visuals like images, charts, and video clips. Many of the courses offer CE credits to earn as you learn.</i></p>
<p>Lippincott® <b>Blended Learning</b> Streamline Orientation. Improve Competency.</p>	<p><i>This point-of-learning tool will provide orientation streamlining to ensure the clinical competency of new employees and graduate. It will provide a continuous flexible learning environment to provide us with ways to increase knowledge incrementally. The platform supports support instructor-led training, online courses, and flipped classroom learning.</i></p>
