

Ovid® **Clinical** EDGE

You don't have time to waste trying to find answers to your most pressing clinical questions. **Ovid Clinical Edge** provides you with a library of key resources and a powerful search and discovery tool, enabling you to find what you need, when you need it.

Designed specifically for clinicians, **Ovid Clinical Edge** provides instant access to a vast amount of bibliographic full-text content via an intuitive, easy-to-use biomedical search and delivery platform that delivers precise, integrated search results so you find what you're looking for quickly.

Get Real-Time, Trusted Answers that Improve Patient Care

- Increase discoverability and save time. Rely on only one online platform to search all of your subscribed journals, books and databases, including resources from Ovid and other vendors.
- Save time and money by using a single-search portal for all your global clinical research needs.
- Earn CME by simply researching a clinical topic.
- Search in your local language (localized MeSH® concepts available for nine languages).
- Get insight into content usage patterns. Easily retrievable data and statistics help you identify what you're accessing most frequently, what you're missing and what you need more of.
- More than 18 reports are compliant with COUNTER-5 and SUSHI-5, available for capturing key metrics.

Why Ovid Clinical Edge?

- Dual access to all Ovid-subscribed resources on the Ovid® platform as well as on Ovid Clinical Edge
