

## **International Food Law: How Food Law can Balance Health, Environment and Animal Welfare**

*Edited by Cinzia Caporale, Ilja Richard Pavone, Maria Pia Ragonieri*

As an insightful analysis of the main challenges of modern food law in the COVID-19 era, in its authoritative discussion of the relations among fields of law that are rarely discussed together – food law and the environment, food law and human rights, food law and animal welfare – this collection of chapters will prove to be a valuable resource for both experts working in food governance and security and for lawyers and scholars concerned with environmental management, sustainable development, and human rights around the world.
