Regulation and Tax in Space, authored by a tax attorney with first-hand knowledge of the aerospace issues involved, is the first book to delve deep into the yet-to-be-resolved practicalities of taxation of resources mined in space. By international consensus, space is considered as a commons for all humanity. Now, however, as space activities and technologies are chiefly focused on commercial interests in extraterrestrial mineral resources, the mechanisms for allocating space mining resources must be sketched out to balance the efficient use of resources with a fair and stable tax system.

Exploring the Nexus Doctrine In International Tax Law
By Ajit Kumar Singh

Exploring the Nexus Doctrine in International Tax Law examines the concepts of territorial nexus for jurisdictional tax apportionment and brings into sharp focus the emerging economic connection as a jurisprudential justification for taxing non-residents’ income. In an age when cross-border business transactions are increasingly affected without the transference of physical products, revenue concerns of states have led to a multitude of tax disputes based on the concept of ‘nexus’. This important and timely book is the most authoritative to date to discuss one of the major tax topics of our time – the question of how taxing rights on income generated from cross-border activities in the digital age should be allocated among jurisdictions.

The Concept of Permanent Establishment in the Insurance Business
By Daniele Frescurato

The Concept of Permanent Establishment in the Insurance Business is a trailblazing book focusing on the issues that the insurance companies encounter concerning a permanent establishment, providing an in-depth analysis of how the concept is applied in the context of the insurance industry and further considering potential changes to the permanent establishment definition contained in tax treaties to reflect specific features of this industry. The models commonly used to negotiate bilateral tax treaties say very little about the insurance industry and how the dependent agent permanent establishment provision may affect cross-border marketing, promotion, and insurance distribution.
