<b>Detailed technical and organisational measures:</b>	
Access control: buildings	Access to Wolters Kluwer buildings is controlled by both technical and organisational measures: access control with personalised badges, electronic locking of doors, reception procedures for visitors.
Access control: systems	Access to networks, operational systems, user administration and applications require the necessary authorisations: advanced password procedures, automatic time-out and blocking for incorrect passwords, individual accounts with histories, encryption, hardware and software firewalls.
Access control: data	Access to the data themselves on the part of Wolters Kluwer is controlled by organisational measures: user administration and user accounts with specific access, personnel trained in data processing and security.

**7. Sub-processors**

There are no Sub-processors.

**8. Transfer of personal data**

No transfer of personal data takes place.
