CURRENT AWARENESS

Current awareness includes daily news services, newsletters, and authoritative journals covering issues related to Federal Tax, International Tax, State & Local Tax, and Estates, Gifts & Trusts Tax, including many well-known titles. Highlights include:

Tax Tracker Daily News

Tax Tracker Daily News automatically searches the news every day and locates articles related to topics that researchers can customize to help keep them up-to-date on news most important to them. Tax Tracker Daily News gathers, then delivers, the news daily to your email, which enables you to see your customized news articles.

Federal Tax Weekly

Federal Tax Weekly is the flagship weekly tax newsletter, reporting, prioritizing, and analyzing the week's tax developments. This publication is written by our editorial staff of tax lawyers and enhanced by a broad-based group of legal practitioners. It covers IRS and Department tax guidance, tax litigation and Congressional developments, as well as practitioners' reaction to tax planning news and trends.

Taxes — The Tax Magazine

Taxes — The Tax Magazine is the leader in tax news and analysis. Critical analyses by top tax experts provide insight and strategy for tax professionals and their clients. It covers all the latest tax law developments in important articles written by leading tax practitioners and features regular columns on crucial tax topics.

GUIDANCE

Our editors and leading practitioners provide clear and practical guidance on the impact of the law, strategies on how best to apply the law, and explain law changes and how they may affect your clients. Highlights include:

U.S. Master Tax Guide

The U.S. Master Tax Guide explains federal income tax for individuals, partnerships, corporations, estates, and trusts, as well as new rules established by key court decisions and the IRS. Significant new tax developments are highlighted and explained to provide quick references and understanding. Also, the Guide links to the Internal Revenue Code, Income Tax Regulations, and other key tax law sources.

Standard Federal Tax Reporter

Code arranged and the most comprehensive and current federal income tax authority in the industry, the Standard provides a complete and up to date picture of federal income tax law organized by Internal Revenue Code section. Internal Revenue Code sections have brief legislative history notes, relevant committee reports in full text, final, temporary and proposed regulations, and editorially prepared explanations and annotations. Caution lines and notes are used as alerts for special circumstances concerning a Code section, regulation, or annotation.

Tax Research Consultant

Topically arranged and offers practical real-world guidance on income, estate and gift, payroll, and excise tax laws. Tax Research Consultant is divided into 35 topics. It provides both in-depth and greater breadth of coverage and includes sample calculations and commentary by noted experts. With linking capability to hundreds of interactive research aids, it facilitates decision making to solve even the most complex tax issues.

Federal Excise Tax Reporter

Code-arranged, it includes all relevant cases, rulings, and other primary sources as well as full analysis by expert authors to ensure complete information to answer any federal excise tax question. In addition, researchers will find the Federal Excise Tax Quick Finders and the Questions & Answers SmartCharts.

Tax Act Analysis 1986-Current

Tax Acts and Reports include the text of all significant enacted tax legislation, as well as the accompanying committee report text and links to related reports.

GOVERNMENTAL CONTENT

Our Federal Primary Source Library is the most comprehensive in the industry dating from 1913 to current year and includes the following resources in full text:

Internal Revenue Code

Internal Revenue Code and history notes as well as links to related regulations, legislative history, explanations, annotations, and current developments applicable to a particular Code Section.

Tax Legislation 1954-Current

Provides the industry's leading coverage of tax legislation and access to the latest legislative briefings.

Treasury Regulations

All current, final, temporary, and proposed IRS regulations are included in our Federal Tax Regulations primary source material. Each regulation reflects any amendments made to the regulation and is accompanied by a history line.

Cases and Rulings

We provide the most extensive collection of tax law cases from 1913 to the present. Letter Rulings and IRS Positions include the full text of IRS responses to inquiries concerning the application of the tax rules to specific situations. IRS Letter Rulings includes: Private Letter Rulings, Technical Advice Memoranda, Field Service Advice, and Chief Counsel Advice. IRS Positions includes: General Counsel Memoranda and Actions on Decisions.

IRS Administrative Rulings

Includes Treasury Decisions, Notices of Proposed Rulemaking, Revenue Rulings, Revenue Procedures, IRS Notices, IRS Announcements, IRS News Releases, Executive Orders, Requests for Comments, Treasury Dept. News Releases, White House and Congressional News Releases, National Taxpayer Advocate Reports, and other miscellaneous documents.

Agency Materials

Includes current IRS publications which interpret tax laws, regulations, and court decisions that are topically arranged with references to applicable tax forms.

EXPERT GUIDANCE

Leading practitioners provide expert guidance and insights on some of the most important topics for legal tax research. Highlights include:

Mergers, Acquisitions, and Buyouts

by **Martin D. Ginsburg (late), Jack S. Levin and David E. Rocap**

This preeminent work provides guidance on deal-making strategies with proven methods for structuring transactions. Analysis includes: important federal income tax ramifications, state corporate law, securities law, accounting, fraudulent conveyance law, HSR antitrust reporting, as well as the necessary contractual terms successfully used in negotiating, structuring, and effectuating an acquisition. Numerous real-life examples, as well as checklists, flow charts, and model agreements.

Drafting Tax Provisions for Private M&A and Investment Funds

by **Ivan Mitev**

Practical guidance and comprehensive source for tax documents and precedents related to the investment fund and private M&A industry. Covering tax provisions in the most pertinent documents that concern investment funds and the private M&A practitioner, it provides examples of multiple drafting approaches and negotiation points. Presents clauses and other provisions compiled from key public sources such as EDGAR, FOIA requests, exhibits of court filings, or other precedent widely seen in practice. Additionally, it offers a survey of state law cases illustrating legal controversies that could arise from tax provisions in deal-documents.

Federal and State Taxation of Limited Liability Companies

by **David J. Cartano, JD.**

Provides in-depth analysis and guidance on the latest tax treatment for limited liability companies (LLCs) and how they impact your clients. It explains how to prepare the most common LLC tax forms and includes checklists, practice tips, tables, and examples.

Federal Taxation of Partnerships & Partners

Patricia Hughes-Mills, JD, LL.M.; Thomas A. Humphreys, JD, LL.M.; James M. Kehl, CPA, MS Taxation; and Stuart L. Rosow, JD.

Complete in-depth analysis of all aspects of partnership taxation from industry experts. Provides easy-to-understand, comprehensive answers to complex partnership tax issues and uses examples to illustrate recommended strategies.

Federal Income Taxation of Debt Instruments

by **David Garlock**

Written for readers who have limited familiarity with the financial concepts relating to debt instruments, as well as for readers who feel they might benefit from a review or a more precise explanation of the critical concepts.

Like-Kind Exchanges under Code Sec. 1031

by **Nancy N. Grekin**

Includes analysis by tax experts, planning notes, comments, cautions, and examples that clarify the practical application of the law. The analysis includes news and links to source materials.

Oil and Gas Tax Reporter

by **Patrick A. Hennessee, Ph.D., and Sean Hennessee**

Industry experts, Patrick A. Hennessee, Ph.D., CPA, and Sean P. Hennessee, J.D., provide analysis and illustrative examples, tax planning considerations, and citations to controlling authorities. It is topically organized around the industry topics for developing oil and gas properties plus other areas of importance.

Corporations Filing Consolidated Returns

Mark Banks-Golub, JD, LL.M., Anthony J. Nitti, CPA, MST, Joshua T. Brady, JD. and Michael Kosnitzky, JD, CPA.

Industry experts provide complete, in-depth analysis of the complex area of consolidated returns. It provides key guidance and focuses on important federal income tax issues facing consolidated groups and includes many examples.

Executive Compensation

by **Michael S. Melbinger**

Executive Compensation is a vital tool for employers, executives, boards of directors, human resources departments, legal counsel, and other executive compensation professionals and advisers. This treatise is designed to assist professionals in establishing and maintaining executive compensation programs to attract and keep talent, minimize risk, preserve exit strategies and capital funding while in compliance with all applicable laws and regulations. Executive Compensation considers the impact of the Sarbanes-Oxley Act and other legislation impacting executive compensation.

PRACTICE TOOLS

All Practice Tools and SmartCharts allow users to quickly locate and compare research across multiple topics or jurisdictions, retain links to laws, regulations, and explanations, and export to desktop. There are hundreds of charts across many different practice areas. Highlights include:

Federal Tax Current Developments by Code Section SmartChart

Federal Tax Current Developments by Code Section SmartChart provides access to federal tax current developments organized by Internal Revenue Code section. The SmartChart provides links to the text of the Tax Day story as well as access to related explanations in our tax reporters.

Tax Prep Partner

Tax Prep Partner Series provides easy-to-understand, how-to guidance for the preparation of federal forms. The series includes real-life examples, filled-in forms, tools, and interactive practice aids that save time and help ensure clients' returns have accurate information. This series is designed to meet the needs of tax professionals that require explanatory material and practical guidance. Tax Prep Partner is integrated with ProSystem fx and IntelliForms.

IntelliForms

IntelliForms provides forms, instructions and publications in a simple interface that allows users to easily access all forms in one convenient location. The modern interface is easy to navigate and allows researchers to quickly open forms and complete tasks. Common client forms and profiles enable multiple users to share client data, save forms, and work collaboratively. All client data is saved to your server for complete client security.

Standard Fed Plus

Standard Fed Plus is exclusively offered by Wolters Kluwer, and anchored by the content of the most recognized tax authority in the industry, the *Standard Federal Tax Reporter*, which has been relied on by thousands of tax professionals for over a hundred years. Leveraging the extensive, industry-leading content, *Standard Fed Plus* utilizes its content by adding point-in-time analysis, redlining of changes, and calendar features to help advisors research more quickly and better advise their clients.
