### American Journal of Family Law

In-depth, relevant commentary on the current issues in today's family law practice.

### Child Support Guidelines

The only comprehensive guidebook for determining child support awards that takes practitioners step-by-step through the interpretation and application of the guidelines and their worksheets in both the normal and exceptional child support case.

### Dividing Pensions in Divorce

An expert chronological analysis on every important issue regarding Qualified Domestic Relations Orders and present values.

### Drafting Prenuptial Agreements

The first guidebook ever to cover this growing area of family law. This resource presents a pragmatic approach to preparing successful agreements quickly and effectively, in any situation, by grouping together and identifying the common areas that need to be addressed.

### Family Law Update

All the current issues and relevant opinions pertaining to Family Law, putting the most salient information at your fingertips.

### Myers on Evidence of Interpersonal Violence: Child Maltreatment, Intimate Partner Violence, Rape, Stalking, and Elder Abuse

Designed to help practitioners successfully prepare and present evidence by providing reliable, practical insights by respected expert, John E.B. Myers., this resource presents a clear distillation of the latest case law on the complex evidentiary and constitutional issues faced, and much more.

### Psychological Experts in Divorce Actions

The definitive guide to understanding the role of psychological evaluations in divorce and custody actions, this work explains all the leading testing instruments, what conclusions may be drawn, and how to challenge or support those conclusions, plus much more.

**Qualified Domestic Relations Order (QDRO) Answer Book**

This time saving question-and-answer resource cuts through the complexities of preparing, reviewing and administering QDROs and QMCSOs, providing instant, authoritative answers and insights to over 800 QDRO-related questions.

**Qualified Domestic Relations Order (QDRO) Handbook**

Authored by renowned QDRO expert, Gary A. Shulman, this definitive work turns the most confusing QDRO issues into clear answers and step-by-step guidelines.

**Valuation Strategies in Divorce**

This essential resource addresses valuation methodologies and techniques for all assets in a divorce case, including such unusual assets as lottery winnings, frequent flyer mileage, and professional licenses and degrees.

**Valuing Professional Practices and Licenses**

Complete and current information on the valuation of professional practices, degrees, and licenses, with coverage of difficult topics such as merger, double dipping, celebrity goodwill, representing lawyers in divorces, the effective use of financial experts, and the bankruptcy aspects of awards of professional assets.

**Valuing Specific Assets in Divorce**

This guide for matrimonial lawyers and accountants provides detailed information on how to evaluate specific types of marital assets, the particular accounting and financial conventions that affect the owner's income from the asset and the value of the asset, and the rules, regulations and issues pertaining to the particular asset.
