

Estate & Gift Tax Plus

Instantly Identify and Compare Tax Code Changes with AI-enabled Point-in-time and Redlining from Wolters Kluwer

Save hours not minutes with **Estate & Gift Tax Plus** – a powerful combination of cutting-edge tools and technology and industry-leading tax expertise from Wolters Kluwer.

The Tax Code is highly complex and constantly changing. Did you know that The Tax Cuts & Jobs Act of 2017 impacts nearly 600 IRC sections alone? Staying on top of all these changes is complex and time-consuming. Utilizing AI-enabled point-in-time and redlining technology, **Estate & Gift Tax Plus** simplifies research by enabling you to quickly compare changes between two dates, saving you time while increasing accuracy.

Estate & Gift Tax Plus provides a profound time savings by quickly providing the answers and deep insights you need every day:

- **New!** The Legislative Change Dashboard highlights Code sections with changes.
- Point-in-time functionality provides a calendar view of the tax code law for specific dates.
- Redlining clearly shows differences between two dates with additional guidance and context.

Estate & Gift Tax Plus is available exclusively on Cheetah for Tax and leverages Wolters Kluwer's Federal Estate and Gift Tax Reporter as well as IRC archives for estate and gift dates back to 1954.
