

A photograph of three business professionals in an office setting. A man in a dark suit and blue shirt is smiling and looking towards the right. A woman in a blue plaid blazer is looking at a laptop screen. A man with a beard is partially visible in the foreground, looking towards the woman. The background is a blurred office environment with a window and some lights.

*Thought Leadership
Through Customized Media Solutions*

Elevate Your Marketing Strategies. Engage Your Target Audience. Amplify *Thought Leadership*

Legal marketers are facing increased pressures to drive business development and visibility for their firms. Selecting channels to drive engagement in a highly competitive and often costly marketing environment is challenging.

Capturing the attention of corporate attorneys is tricky. In-house counsel are inundated with information and solicitations from competing law firms. More so, once a corporate attorney's attention is gained, marketers need to deliver content that resonates and strengthens their firm's reputation and relationships in order to justify the investment.

How Wolters Kluwer can differentiate your firm, and cut through the noise

These customized *Thought Leadership* opportunities allow you to leverage the Wolters Kluwer brand, a powerful network of industry practitioners and experts, and an engaged audience of corporate legal professionals to reach and engage your target audience.

Wolters Kluwer at a Glance

- For 100+ years Wolters Kluwer has provide in-depth coverage and expertise to the legal and regulatory industry
- 100s of leading publications and brands across the entire legal spectrum: tax, corporate, cybersecurity, labor and employment, intellectual property, and more.
- 1000s of industry experts, contributors and authors comprise the Wolters Kluwer network.

Acquisition → Engagement → Retention. Let us develop a content and marketing strategy that drives client development, increases retention, and differentiates you in a highly-competitive marketplace.

Content marketing with purpose

Thought Leadership through Customized Newsletters

Collaborate with Wolters Kluwer editors to create forward-looking and curated content that is highly relevant and persuasive to your target audience.

Customized newsletters are **created and branded exclusively for your firm and developed specifically to drive engagement that drives retention for your firm through elevated client communications.**

- Customized and branded for your firm
- Timely and relevant topic content
- Practice-area specific
- Collaborative with full firm control of the content
- Posted on Cheetah, social media, and more

Acquisition → Engagement → Retention

Let our editors and production professionals do the heavy lifting. Developing a customized newsletter is a seamless experience. Benefit from this unique opportunity to use the depth of Wolters Kluwer publishing expertise to produce high-quality, relevant *Thought Leadership* content that engages your prospects and clients. It's the perfect vehicle for business development and client retention.

- Full firm control of the content and frequency.
- End-to-end Wolters Kluwer production expertise.
- Content selected address relevant topics important to the firm's present and potential clients.

Focus on your target audience through a number of practice areas, including:

- General Counsel
