

## ACCOUNTING

CCH iKnow is a research platform designed specifically for accounting firms. We've placed all the expert content, real world examples and practice tools that accountants need on the one convenient platform. With CCH iKnow you can confidently and quickly step through any client situation.

### Topic Pages

All the relevant information is brought together to guide you to your answers. This includes practice tools, source material, news, and links to CCH Learning.

### Commentary

The CCH iKnow Accounting module provides:

- practical detailed commentary to help you answer questions on various aspects of financial statement preparation and presentation for a variety of reporting entities, business organisations and other entities
- assistance in dealing with the practical problems and questions arising from the application of various accounting standards and legislation affecting the preparation and presentation of financial statements
- practical commentary on financial planning issues such as social security, life risk insurance, gearing, financial planning for the family, retirement living and aged care.

### Source Material

Source material includes the latest and most up to date:

- **Legislation**  
Coverage of the Corporations Act, regulations, and other relevant legislation.
- **Standards**  
Key standards and other source materials from the:
  - Australian Accounting Standards Board (AASB)
  - Auditing and Assurance Standards Board (AUASB)
  - Accounting Professional & Ethical Standards Board (APESB).

### News

Choose how you get your news:

- **Anytime**  
Browse the real-time news feed on the iKnow home page.
- **Daily**  
Receive daily emails to your inbox.
- **Weekly**  
Get Australian Tax Week, wrapping up the week's news.
