

CCH Tagetik Cloud Solution

Finally, A Comprehensive Cloud Solution

Choosing to go on the cloud shouldn't mean compromising on the capabilities necessary to meet your business requirements. That's why CCH Tagetik developed a user-friendly and comprehensive cloud solution that can be owned by your Finance team. Our robust corporate performance management software provides all the same solutions on-premise or on cloud: budgeting and planning, modeling and forecasting, consolidation and close, disclosure management, and analytics reporting. That's right. All of that in a single platform solution, on the cloud.

Why Companies Choose CCH Tagetik on the Cloud

Comprehensive CPM

With CCH Tagetik, you get fully-loaded corporate performance management on the Cloud. Budgeting, planning, modeling, forecasting, consolidating, and extensive internal and external reporting – are fully automated, fully integrated and fully-functional with our platform.

Easy, Rapid Deployment

No hardware, no lengthy implementation and no steep learning curve! CCH Tagetik Cloud is easy to deploy: easy setup, easy configuration, easy to learn, easy to scale - CCH Tagetik simplifies financial management, yet delivers all the power that complex finance organizations need.

Owned by Finance

CCH Tagetik is built for the Office of Finance to 'own' and manage. With an intuitive, finance-friendly interface, CCH Tagetik provides comprehensive process-driven CPM functionality that's easy to use, easy to administer and won't burden IT with another system to manage.

The Right Data at the Right Time

Confidence that your trusted data is secure and properly governed in CCH Tagetik is one thing. Knowing it's always accessible and available is another. With 99.5% uptime guaranteed and 24-7 monitoring, you get unlimited access to your corporate performance information, anywhere, anytime.

Cost Effective

With CCH Tagetik Cloud, you eliminate hardware, software and associated infrastructure costs. Our platform updates automatically without compromising your data resources, burdening IT or making you wait for back-ups and roll-out. CCH Tagetik does the work, so you can focus on managing performance.

No Hidden Fees

CCH Tagetik is all inclusive. There's no hidden fees for set-up, testing or production. And with our solutions open and multi-platform design, you can easily leverage investments in existing IT systems, databases, and applications to further reduce your total cost of ownership.

"I am very proud that we have delivered the project within the timelines that we had and within the budget. CCH Tagetik delivers added value to Randstad Group through its advanced functionality and cloud deployment."

Rob Fenne

Managing Director Group Accounting,
Randstad Group

Why CCH Tagetik?

Finance Owned: Purpose built to be maintained by Finance, empowering finance and reducing dependency on IT.

Unified CPM Solution: Consolidation, Planning and Reporting in one solution provide confidence in your data.

Reliability: Our implementation team and partners consistently deliver.

Cloud without Compromise: On premise. On cloud. One solution. The choice is yours!

The Cloud For Finance

We make it simple for the Office of Finance to manage its own corporate performance management processes without depending on IT.

Complete and Comprehensive

CCH Tagetik Cloud is a complete, comprehensive and robust corporate performance management solution, on the cloud, without compromise. All processes, from budgeting and planning to modeling and forecasting, consolidating, disclosing, reporting, collaborating - and others - are available when you are in one solution, on the cloud.

Easy-to-use Interfaces

Going to the Cloud doesn't mean giving up Excel or being forced to learn a cumbersome software system. CCH Tagetik Cloud supports all types of users with easy to use and familiar interfaces, from native Excel, Word, or PowerPoint to Webforms, Dashboards, and Self-Service Analytics.

Designed For Scalability & Efficiency

Our platforms unique design allows flexibility, efficiency and unlimited scalability across all lines of business and up the corporate level. With its unified approach, it provides one version of the truth across financial business processes and reporting. Drive efficiency, scale infinitely and improve business decision-making at a lower cost.

Stringent Security Standards

CCH Tagetik Cloud has multiple security certifications that confirm our corporate performance management solution exceeds standards for penetration testing, vulnerability assessment, separation of duties, background checks, failover, disaster recovery and data redundancy.

Comprehensive Support Package

We have 24-7 monitoring and alerting which gives you an average uptime of 99.95%. Our cloud support package includes: phone & web-based product support, setup of production, test/UAT environments, software and hardware updates, backups, infrastructure performance tuning, and disaster recovery procedures.
